

GET INVOLVED. GET ENGAGED. RUN FOR THE BOARD The AISJ Board of Directors Seeks Qualified Candidates to Run For Board Elections

The AISJ Board of Directors provides fiduciary and strategic oversight for the governance of AISJ. Serving on the Board is a wonderful opportunity to become involved in the long-term strategic planning and sustainability of the school. The Board is composed of dynamic and engaged volunteers who work on various aspects of governance, financial planning, and long-term facilities planning. We are looking for interested, committed AISJ community members to run for the Board of Directors. This year there are three Board positions to be filled through election.

Information on the Board of Directors and the requirements for candidacy may be found on the Board Portal of the AISJ website.

Interested individuals must submit electronically an application no later than 12:00 noon on February 22. Applications will be reviewed for candidate eligibility and eligible candidates' information will be made available online for the school community to view starting on February 27. Candidates will be invited to speak to the community about their interest in serving on the Board of Directors during two "Meet the Candidate" events, one in Pretoria on March 1 and one in Johannesburg on March 2.

Electronic voting will be held from March 6 to March 17. Each AISJ parent/guardian is eligible to vote. Please ensure that AISJ has a current email address for you as the link to the voting site will be sent to each parent email address on file.
