

November 28th 2017

Greetings,

We hope everything for your impending move is being finalized and you are excited to join our AISJ community. We will be sending a few final reminders regarding the start of school and instructions on how to sign up for busing, how to log into PowerSchool and how to register. You have been through the application process, but we ask all families to register just prior to starting school. This is how we get the last minute and up to date information.

New Parent Orientation for High School parents is at **8 am, on Monday, January 8th.**

The first day of school for new students entering our High school is **Wednesday, January 10th.**

It is important to familiarize yourself with our new parent FAQ

<https://www.aisj-jhb.com/page.cfm?p=8588>

We have very few students joining us at the High School in January and you will have a personal orientation with our counselor and Principal. It is important to bring with you your 1st-semester transcript.

Thanks,

Mary-Jane and Caroline

Admissions on behalf of the High School
