

## AISJ TUITION & CAPITAL FEE SCHEDULE: 2021-22 *(Returning Students)*

The American International School of Johannesburg's (AISJ) Board of Directors has approved the following Tuition Schedule for the 2021-22 academic school year. This schedule applies to all students attending AISJ, and the fees will not be negotiated under any circumstances. The tuition fees include all textbooks and specific curriculum-related field trips. The fees do not include lunch/snacks, sports uniforms and specified activities.

### 1. Capital Fee

- 1.1 Returning students at AISJ in Kindergarten through to Grade 12 are subject to a non-refundable Student Capital Fee of US\$1 103 to contribute to the cost of capital projects.
- 1.2 The value of the returning Capital Fee is 100% payable regardless of the timing of when a student re-joins in the academic year.
- 1.3 Payment of the Capital Fee secures a place for the student.
- 1.4 A student may not start school until the Capital Fee has been paid in full. If a student does not commence school and sufficient notice is given to AISJ, the Capital Fee is refundable.

### 2. Advance Deposit

- 2.1 A non-refundable advance deposit of US\$1 000 or ZAR 16 000 must be made to secure a place for the student.
- 2.2 The advance deposit is non-refundable and will be offset against the school tuition fees.
- 2.3 Payment must be made by the **1<sup>st</sup> of June 2021**. Failure to do so will result in this placement being rescinded and offered to another family.

#### 4. Overdue Accounts

- 4.1 Interest rate charges of 1.5% per month will be levied on all past-due balances.
- 4.2 Students may not be able to access learning and associated activities until outstanding overdue fees have been settled in full.

#### 5. Unpaid Fees

- 5.1. The School reserves the right not to issue student records, transcripts or diplomas until all accounts have been fully settled.
- 5.2 The School reserves the right to hand over unpaid accounts for legal collection, the cost of which will be the responsibility of the account payer.
- 5.3 Non-Payment of fees may result in exclusion from learning and associated activities.

#### 6. Accommodations for late entry and early departure

- 6.1 As many AISJ families are expatriates or may be joining from a different academic calendar, it is understood that the timing of the start date may be delayed. It is appreciated that such circumstances may be beyond the control of the family; however, due to increasing demand for places, AISJ will not always be able to hold a place for a student. In these circumstances, the opportunity will be given for a family to pay all applicable fees based on the original date of commencement. If this option is not accepted, the place will be forfeited, and the student will join a waiting pool where applicable.

6.2 **Late Entry:** For those students who are scheduled to arrive after the commencement of the academic year, the following table applies to tuition and bussing services fees:

| <b>Late Entry:</b>                                      |          |
|---|----------|
| 11 <sup>th</sup> Aug – 24 <sup>th</sup> Nov 2021        | 100% due |
| 29 <sup>th</sup> Nov – 15 <sup>th</sup> Dec 2021        | 75% due  |
| 10 <sup>th</sup> Jan 2022 – 11 <sup>th</sup> March 2022 | 60% due  |
| 22 <sup>nd</sup> March 2022 – 9 <sup>th</sup> June 2022 | 30% due  |

6.3 **Early Departure:**

- 6.3.1 Tuition fees for the first semester are not refundable after the first day of attendance by the student.
- 6.3.2 Tuition fees for the second semester are refundable (40%), providing written notification is given by November 1<sup>st</sup>, 2021.
- 6.3.3 Attendance for any portion of a semester will preclude a refund of tuition.

7. **Payment Procedure and Banking details**

- 7.1 The tuition fees will be invoiced in US\$ and ZAR, as indicated by the account payer's currency and payment plan choice as stipulated in the tuition schedule.
- 7.2 Payment can be made in either of the two currencies, as chosen by the account payer, into the relevant accounts listed at the bottom of the invoices.
- 7.3 Once an account payer has made an invoice currency option, this may only be changed once not later than the 1<sup>st</sup> of August 2021.
- 7.4 **All payments must be made free of all bank charges and commissions.**
